The Centre for Quantitative Finance (CQF) at the National University of Singapore is pleased to announce the **CQF Annual Conference 2026**, to be held from **10–12 June 2026**. We cordially invite colleagues to organize **Invited Sessions** as part of the scientific program.

### Guidelines for Invited Sessions

Each invited session should include **4 speakers** focusing on a coherent theme relevant to the conference.

**Topics of interest** include, but are not limited to:

- Asset Pricing and Portfolio Optimization
- Risk Management and Derivatives Pricing
- Financial Econometrics and Forecasting
- Market Microstructure and High-Frequency Trading
- Fixed Income Modeling and Credit Risk
- Stochastic Control and Dynamic Programming
- Artificial Intelligence and Machine Learning in Finance
- Quantum Computing and Quantum Machine Learning
- Financial Econometrics and Risk Analytics
- Algorithmic Trading and Market Microstructure
- Digital Assets, FinTech, and Decentralized Finance
- Optimization, Operations Research, and Sustainable Finance

### Submission Details

- **Submission deadline:** 15 March 2026
- **Acceptance notification:** on a **rolling basis starting 1 December 2025**
- Each proposal should include:
  1. Session title and short description (100–150 words)
  2. Organizer(s) name, affiliation, and contact email
  3. Tentative list of 4 speakers and their talk titles (if available)

### Registration

All invited session organizers and speakers must register through the conference portal:

We are pleased to announce that the call for invited session proposals for QF2026 is now open! We warmly encourage prospective organizers to submit a brief proposal outlining the session theme, its motivation, and a tentative list of four potential speakers. We look forward to your submissions. We look forward to your contribution to shaping an exciting and inspiring program for the CQF Annual Conference 2026!
